of all of its current obligations, including direct obligations, due during the applicable quarter.

(3) A non-complying Bank may continue to incur and pay normal operating expenses incurred in the regular course of business (including salaries, benefits, or costs of office space, equipment and related expenses), but shall not incur or pay any extraordinary expenses, or declare, or pay dividends, or redeem any capital stock, until such time as the Finance Board has approved the Bank's consolidated obligation payment plan or inter-Bank assistance agreement, or ordered another remedy, and all of the non-complying Bank's direct obligations have been paid.

(d) *Finance Board payment orders; Obligation to reimburse.* (1) The Finance Board, in its discretion and notwithstanding any other provision in this section, may at any time order any Bank to make any principal or interest payment due on any consolidated obligation.

(2) To the extent that a Bank makes any payment on any consolidated obligation on behalf of another Bank, the paying Bank shall be entitled to reimbursement from the non-complying Bank, which shall have a corresponding obligation to reimburse the Bank providing assistance, to the extent of such payment and other associated costs (including interest to be determined by the Finance Board).

(e) *Adjustment of equities.* (1) Any non-complying Bank shall apply its assets to fulfill its direct obligations.

(2) If a Bank is required to meet, or otherwise meets, the direct obligations of another Bank due to a temporary interruption in the latter Bank's debt servicing operations (*e.g.*, in the event of a natural disaster or power failure), the assisting Bank shall have the same right to reimbursement set forth in paragraph (d)(2) of this section.

(3) If the Finance Board determines that the assets of a non-complying Bank are insufficient to satisfy all of its direct obligations as set forth in paragraph (e)(1) of this section, then the Finance Board may allocate the outstanding liability among the remaining Banks on a *pro rata* basis in proportion to each Bank's participa-

tion in all consolidated obligations outstanding as of the end of the most recent month for which the Finance Board has data, or otherwise as the Finance Board may prescribe.

(f) *Reservation of authority.* Nothing in this section shall affect the Finance Board's authority to adjust equities between the Banks in a manner different than the manner described in paragraph (e) of this section, or to take enforcement or other action against any Bank pursuant to the Finance Board's authority under the Act or otherwise to supervise the Banks and ensure that they are operated in a safe and sound manner.

(g) *No rights created.* (1) Nothing in this part shall create or be deemed to create any rights in any third party.

(2) Payments made by a Bank toward the direct obligations of another Bank are made for the sole purpose of discharging the joint and several liability of the Banks on consolidated obligations.

(3) Compliance, or the failure to comply, with any provision in this section shall not be deemed a default under the terms and conditions of the consolidated obligations.

### § 966.10 Savings clause.

Any agreements or other instruments entered into in connection with the issuance of COs prior to the amendments made to this part shall continue in effect with respect to all COs issued under the authority of section 11 of the Act and pursuant to this part.
